

Acceptable Computer Usage Consent Form

I hereby confirm that I have read and understood the Acceptable Use Standard. I also understand my liabilities and limitations defined and documented in the above-mentioned document with respect to handling of information assets and WSP data.

I further understand that Acceptable Use Standard is available on the BMS for ready reference. In case of any modification, addition or deletion in this policy, it is my responsibility to periodically check and keep myself updated.

I confirm that Company reserves the right to monitor employees' email and IM usage including intercepting emails before they are being read for the purpose of investigating unauthorized use of the WSP's telecommunication system, preventing or detecting any violation or ascertaining compliance with company's policies. This may include personal emails sent over WSP network, where appropriate.

I confirm that in case of any noticed violation of this policy, I will make use of complaint channels mentioned in this policy to report such incidents or violations and will co-operate in conducting any investigation which might be required by WSP.
